MUSTANG PRIDE

There is more to owning a Mustang than just making a good impression or having a sporty car that will “light up the tires”. There is the PRIDE of owning one of America’s Top 10 cars. The classic style, performance, and affordability throughout all model years, make the Mustang stand above the rest.

How many times have you noticed heads turn when you drive by or when someone says “NICE CAR!”...that’s something we can’t put a price on. We take for granted the enjoyment we have with our Mustangs, while there are many people who only have dreams of owning one.

The enthusiasm of Mustang owners taking pride in their cars creates the excitement that keeps the Mustang ahead of the pack. Many cars like the ‘Cuda, Camaro and Firebird have tried to compete but ultimately failed. Mustang is one of America’s two longest, continuously produced brands with a rich history of over 50 years.

Through activities such as shows, parades, and cruise-ins, Valley Mustangs Unlimited has the opportunity to spread the enthusiasm for the Mustang and our hobby throughout the Shenandoah Valley and across the state of Virginia.

After celebrating Mustang’s 50th Anniversary in 2014, it is an awesome responsibility for us to continue the Mustang’s legacy for generations to come...Please **JOIN US!**
